Okinawa Times

Moderator: **Ms. Jane Connors**

Amnesty International

Event will be webcasted in Japanese
Refreshments will be provided

The event will discuss the findings of the first UN expert's report solely on freedom of expression in Japan, with a focus on Okinawa.

It also serves as an important opportunity for the international community to receive up-to-date information on the topic from the independent international expert, human rights defenders and a journalist from Okinawa, prior to the upcoming UPR of Japan in November 2017.
